

How to install the DAFilms App

- Launch the application bar on your TV (**Content Store** on LG TVs or **Smart Hub** on Samsung TVs). For TVs with **Android TV** and **Google TV**, install the application via **Google Play**.
- Select the **Apps** category, use the **Search** button and search for “**dafilms**”.

Logging into your DAFilms account

After launching the DAFilms app, you can choose one of two login methods, we recommend the **QR Code method**:

- Have your mobile phone ready and use the camera to scan the displayed QR code.
- Follow the instructions on your phone and log in to your DAFilms profile.
- You will then be logged into the DAFilms app within a few seconds.

To fully use the app, we recommend **activating a subscription**, otherwise you will only be able to play individually purchased films.
